

## Jr Fair Board Bio - Maysen Munselle

My name is Maysen Munselle. I am currently serving my second year on the Junior Fair Board. This year, I will be bringing two pigs to the fair through Healdsburg FFA. It's also my eighth year in Warm Springs 4-H, and I'm serving as the Vice President of Memberships. Healdsburg Fair week is my favorite week of the year. I have a pretty large family and it is one of the few times in the year that we are all together doing what we love. All of my cousins show animals, and even my dad, uncles and grandparents have shown animals at the Healdsburg Future Farmers County Fair. It's so fun supporting and competing with all of my friends, family, and fellow exhibitors in the best fair around. Can't wait to see you the third week of May.
