

My name is Tyler Fredson, I am a sophomore at Windsor high school. I have been in 4-H for 6 years raising swine. I am also on the junior fair board for my fourth year now and have been a vice president in my club for 3 years. In my other free time I play hockey for the Santa Rosa flyers and golf for Windsor high school. Through 4-h and the jr. fair board I have learned a lot about animals and have also made good friends and had lots of fun. Hope to see you at this year's fair.
