

My name is Jesse Koch, I am in 8th grade, 13 years old, and in Lytton Springs 4-H. This is my second year on the Junior Fair Board, and so far, I have learned a lot about the fair and how it is organized. I have been part of Lytton Springs 4-H for 5 years,s and I am currently the Vice President, the Community Service officer, and Rabbit and Cavy junior leader. This will be my 5th year showing at Healdsburg Future Farmers Country Fair. I am so excited to continue raising animals, learning about them, meeting new people, continuing my future in agriculture, and so much more. Hope to see you there!
